

CURRICULUM VITAE

December 2008

David E. Scott

Savannah River Ecology Laboratory, P.O. Drawer E, Aiken, S.C. 29802

Phone: 803-725-5747 E-mail: scott@srel.edu Fax: 803-725-3309

Education:

- 1979-1983 MS (Environmental Sciences)
University of Virginia, Charlottesville, Virginia.
- 1973-1977 BS (Biology), Phi Beta Kappa, Magna cum laude
Wofford College, Spartanburg, South Carolina.

Employment:

- 1996-2007 Educator with the Savannah River Ecology Laboratory (SREL) Outreach Program. Responsibilities include program presentation, materials and website design, and grant writing to expand program.
- 1984-present Research assistant in the herpetology program at SREL. Research responsibilities include the design and implementation of research on the population ecology of amphibians with the primary focus on salamanders. Currently investigating the factors that influence the metapopulation dynamics of several *Ambystoma* species, including terrestrial dispersal and spatial isolation.
- 1982-1984 Research technician at the Institute of Ecology (University of Georgia, Athens, Georgia) and SREL. Assist with research and statistical analysis on the effects of tillage practices on nutrient cycling in agroecosystems (UGA), and examine the uptake of radioactive contaminants in turtle populations (SREL).
- 1979-1982 Teaching Assistant, University of Virginia. Graduate courses (Terrestrial Ecology and Soil Science) and undergraduate courses (Geology and Introduction to Environmental Sciences).
- 1977-1979 Director, Spartanburg Nature-Science Center, Spartanburg, South Carolina.

Recent Publications (2000-2008):

Research Funding and Management History:

Co-PI on:

- 1999-2001 Determining Significant Endpoints for Ecological Risk Analysis (\$900,000 DOE EMSP grant to T. G. Hinton, J. D. Congdon, C. Rowe, and D. Scott (Savannah River Ecology Laboratory) and J. Bedford and F. W. Whicker (Colorado State University)
- 2000-2002 Enhancing Amphibian Biodiversity on Golf Courses through Use of Seasonal Wetlands (\$30,000/yr for three years; USGA funding to D. Scott, B. Metts, and J. W. Gibbons).
- 2002-2005 A Primary Understanding of the Environment: Teaching Kids the Science of Ecology (\$65,000/yr for three years; The Christensen Fund and the American Honda Foundation educational funding to D. Scott, L. L. Janecek, J. W. Gibbons, and K. W. McLeod).
- 2006-2007 Watershed Restoration and Education in Aiken County, South Carolina (\$15,720 from National Fish and Wildlife Foundation Five Star Program — Scott, Casey, Harper)

Other Professional Interests:

Photography--Cover photos: *Science* (two issues), *Bioscience*, Boy Scout Handbook for Reptiles and Amphibians (all photos), Handbook of Turtles, Fundamentals of Ecotoxicology, Amphibian Behavior (back cover), Urban Herpetology (back cover), Environmental Techniques and Analysis, Poisonous Plants and Venomous Animals of Alabama, *Herpetologica*, and others.

Photos also in: *Discover* magazine, *Natural History*, *National Geographic Magazine*, *Beginnings of Life* (textbook), *Principles of Conservation Biology* (textbook), *Fundamentals of Ecotoxicology* (textbook), *Nature South*, *EnviroSouth*, *Discover South Carolina*, *Aiken County Magazine*, *Encyclopedia Britannica*, *New Georgia Guide*, *Vivarium*, *Augusta Magazine*, *Georgia Wildlife*, *Georgia Outdoor News*.
